The Sophomores gave a very entertaining homecoming skit. The setting was an afternoon at the Normandy after football practice. The object was to show the importance of keeping in training and how school spirit was needed. They drank no cokes or sweets, but filled up with school spirit.

The Sophomore cheerleaders gave some cheers and the boys naturally "Mopped Wop".

Their two lovely attendents were Elaine Berge and Pat LaValley.

G. A. A.

G.A.A. means Girls' Athletic Association, and this group really is an association of athletic and energetic girls. If you happen to be around near the Girls' Gym after 4 o'clock on Thursday evenings, you will probably see or hear them participating in either volleyball, basketball, or deck tennis. Other sports which they enjoy participating in are softball, bowling, tennis, ice skating, roller skating, hiking, skiing, and tobogganing. Sounds like fun, doesn't it?

Band

Under the direction of Mr. Hedlund, the Fergus Falls High School Band has been in great demand and has received many compliments during the past year.

REPRESENTATIVE SENIORS

CAROL ANDERSON

Carol's our charming "book of knowledge" and very active in eighteen different organizations (we counted them!) Unanimously we felt she was truly representative. Our sincerest congratulations, Carol!

ELOUISE ZENNER

Another unanimous choice! One of the "Martines" in the Thespian Play, a successful debater, and the "hand that rocks the cradle" for the Otter Staff. There isn't room for her other accomplishments. She was a "natural" for the representative senior award.

JOE THOMPSON

Vive la Moliere! What an actor our Joe turned out to be! Besides he can wrestle, debate, orate, beat a drum, and attend kings with dignity. Congratulations, Joe, you deserve it!

BOBB BAKKEN

Another natural! The hard-working Co-editor of the well-known Otter; football half-back; basketball forward; Thespian member; and president of the National Athletic Honor Society. What more could a Senior voter look for in a candidate? Congratulations, Bobb.
